50-word description	Versatility comes with every Ambir scanner, and the ImageScan Pro 490i is no exception. Scan documents and ID cards in full color, grayscale or black & white to fit your specific needs, whether you're capturing insurance cards, legal forms or your bills at home.
Feature Bullet List	<ul style="list-style-type: none"> • Industry Standard TWAIN Driver Ensures compatibility for use of any software application with communication support to TWAIN devices. • Twice the scanning power. Duplex scanning means both sides of the documents and cards are captured at once, so your work is done in half the time. All you need is ten seconds to capture the full picture of paper documents, IDs insurance and vaccine cards. • Compact and capable. You've got a ton of paper, not a ton of space. That's why the ImageScan Pro 490i is designed with a compact footprint. About the size of a three-hole punch, it fits on crowded desks. USB-powered means no need for a bulky AC adapter. • Citrix Ready. Citrix Ready certification provides added assurance that our scanners have met the standards set by Citrix, confirming compatibility within the Citrix environment. • Complete Solution. The included AmbirScan capture software makes your document scanning easy. Save documents as PDF, TIF or JPG to your local PC, or to one of these popular cloud services: Box, DropBox, Evernote and Google Drive.
