Feature Bullet List	**Import Contacts Directly to Outlook.** Included Single PC Business Card Software License provides compatibility with Microsoft Outlook, making importing and exporting contacts easy and hassle-free. Automatic detection of duplicated information when adding new contacts to an existing Microsoft Outlook database saves you valuable time. **Data Backup.** Never lose business card information again with automatic data backup creation. Scanning cards creates a .CSV file to store and backup data. **Work Faster.** With AmbirScan's automatic card orientation detection and Quick Scan features, scanning is fast, easy, and accurate so you'll never waste valuable productivity time. **Scan to Cloud.** The included AmbirScan capture software makes your scanning easy. Save PDF, TIF, or JPEG images to one of these popular cloud services: Box, DropBox, Evernote and Google Drive. **Industry Standard TWAIN Driver** Ensures compatibility for use of any software application with communication support to TWAIN devices. **Compact and capable.** You've got a ton of paper, not a ton of space. That's why the ImageScan Pro 490i is designed with a compact footprint. About the size of a three-hole punch, it fits on crowded desks. USB-powered means no need for a bulky AC adapter. **Citrix Ready**. Citrix Ready certification provides added assurance that our scanners have met the standards set by Citrix, confirming compatibility within the Citrix environment. **Complete Solution**. The included AmbirScan capture software makes your document scanning easy. Save documents as PDF, TIF or JPG to your local PC, or to
