50-word description	The ImageScan Pro 687 scans both sides of cards in a single pass. Because it's USB-powered, you'll never need to search for an outlet. Weighing only one pound and about the size of a stapler, it fits on any crowded desk or registration area.
Feature Bullet List	**Double-Sided Scanning** If you regularly scan double-sided cards, this duplex scanner will save you time by quickly scanning both sides of cards in a single pass. **Superior Card Handling** Patient IDs. Insurance cards. Driver's licenses. Vacine cards. The ImageScan Pro 687 handles them with ease in just three seconds – even cards with raised characters. **Broad Compatibility** The included TWAIN driver ensures compatibility with thousands of software applications and hardware systems. This allows for secure data transfer, helping your organization meet security compliance standards. **Citrix Ready** Citrix Ready certification provides added assurance that your scanner has met the standards set by Citrix, confirming compatibility within the Citrix environment. **Windows Compatible** The ImageScan Pro 687 is fully supported for PC users on Windows 7, 8, and 10 and runs on both 32-bit and 64-bit operating systems. **Designed to Work, Built to Last** In the office or on the road, the ImageScan Pro 687 adapts to any task or placement. Its rugged construction means it stands up to continuous use in commercial applications. **Imaging Software Included** AmbirScan software comes free bundled with your scanner. It enhances your scanning experience with a variety of features like auto-scan, file formatting, and save to cloud for a quick and easy workflow. **Automated Imaging** When your scanner captures images as fast as you can feed it, you save time. AmbirScan lets you continuously scan documents without stopping for a prompt or reset, so you can work quickly and efficiently.
