

Flexicam™

Document Camera and Webcam

Introducing the Flexicam document camera and high-performance web cam! Designed for business and personal use, the Flexicam will enable true collaboration in remote environments. Built to be portable yet powerful, Flexicam will capture stunning 4K images and video, on the road or in the office. While Flexicam brings high-powered performance to you, it is simple to set up and use with a single USB cord that is included in the travel case.

Perfect for Educators

Ideal for Remote Workers

Sku # FC204-AC

Versatile, Compact, and Portable.

Capture stunning 4k images & video at home, on the road or at the office. Flexicam is a portable solution that is compatible with Windows, Mac, and Chrome OS, and works with your favorite workspace apps like: Teams, Zoom, Webex, Google Meet, Photobooth, Facetime and others.

A collapsible design allows you to adjust the camera position for the perfect angle. And with its convenient carrying case, the Flexicam is easy to take with you wherever you go.

Every Ambir scanner comes with comprehensive, U.S.-based phone & online chat support.
