50-word description	When you go mobile, the DocketPORT 468 goes with you. It's USB-powered, so you'll never need to search for an outlet. Its compact footprint also ensures it fits on cramped desks, busy registration areas and mobile carts, and its industrial design makes sure it stands up to continuous use.
Feature Bullet List	<ul style="list-style-type: none"> • Ultra-Compact Footprint At about the size of a three-hole punch, the DocketPORT 468 takes up far less space than flatbed scanners. That makes it perfect for crowded desks and mobile users. • USB-Powered Convenience Because it's powered by your computer's USB port, you'll never search for an outlet or carry a bulky AC adapter again. • Superior Media Handling Easily handles piles of paper documents and receipts, along with identification, insurance and business cards. • Broad Compatibility The included TWAIN driver ensures compatibility with thousands of software applications and hardware systems. • Professional-Grade Quality Durable and reliable enough for high volume environments like hospitals, banks and busy points of sale. • Straight-to-PDF Scanning With included DocketScan image acquisition software, users can scan directly to industry-standard PDF format. • AutoContinue Function This DocketScan feature allows you to continuously feed media, meaning piles of documents or cards can be scanned quickly. Scan documents as well as ID, insurance, vaccine cards and more with ease. • 1-Year Limited Warranty Includes complimentary technical phone support and limited parts & labor coverage.
