Sku # PS600-AS

\$149.95

The PS600 is the all-in-one solution!

When you go mobile, the TravelScan Pro goes with you. It's USB-powered, so you'll never need to search for an outlet. And at just under a pound and just over a foot long, it fits in any laptop bag and never weighs you down.

In the office, the TravelScan Pro adapts to any task or placement. A compact footprint ensures it fits on cramped desks, and its rugged construction means it stands up to continuous use.

Ideal industries:

Healthcare

Government

Legal

Banking & Finance

Hospitality

Retail

TravelScan® Pro 600

Simplex Document Scanner with AmbirScan

Every Ambir scanner comes with comprehensive, U.S.-based phone & online chat support.

CITRIX® ready

TWAIN™

Features & Benefits:

Designed to Work. Built to Last.

In the office, the TravelScan Pro adapts to any task or placement. A compact footprint ensures it fits on cramped desks, busy registration areas and mobile carts, and rugged construction means it stands up to continuous use.

Imaging Harmony.

The TravelScan Pro's highly-compatible TWAIN driver ensures functionality with thousands of software applications and a broad range of hardware systems. It also means the TravelScan Pro produces enhanced image quality with included auto crop and deskew functions.

Scan Anything. Anywhere.

Paper documents. Receipts. Insurance cards. The TravelScan Pro captures it all, creating high-resolution images in color, grayscale or black & white. No matter what you're scanning, the TravelScan Pro does it anywhere there's a USB connection.

Automated Imaging.

When your scanner captures images as fast as you can feed it, you save time. With the AutoContinue function, the TravelScan Pro 600 won't prompt you before each scan. You can continuously create digital images, as long as you can keep up.
