50-word description	Whether you're capturing driver's licenses or scanning patient IDs, the ImageScan Pro 667ix is built to handle cards with speed and ease. The scanner is small enough to fit into any office setting and light enough to transport anywhere.
Feature Bullet List	**Superior Card Handling** Patient IDs. Insurance cards. Driver's licenses. Vacine cards. The ImageScan Pro 667 name handles them with ease in just three seconds – even cards with raised characters. **Broad Compatibility** The included TWAIN driver ensures compatibility with thousands of software applications and hardware systems. This allows for secure data transfer, helping your organization meet security compliance standards. **Citrix Ready** Citrix Ready certification provides added assurance that your scanner has met the standards set by Citrix, confirming compatibility within the Citrix environment. **Windows Compatible** The ImageScan Pro 667 is fully supported for PC users on Windows 7, 8, and 10 and runs on both 32-bit and 64-bit operating systems. **Ultra-Compact Footprint** The ImageScan Pro 667 takes up far less space than ADF or flatbed scanners. Its compact footprint ensures it fits on cramped desks, busy registration areas and mobile carts. **Designed to Work, Built to Last** In the office or on the road, the ImageScan Pro 667 adapts to any task or placement. Rugged construction means it stands up to continuous use in commercial applications. **Imaging Software Included** AmbirScan software comes free bundled with your scanner. It enhances your scanning experience with a variety of features like auto-scan, file formatting, and save to cloud for a quick and easy workflow. **Automated Imaging** When your scanner captures images as fast as you can feed it, you save time. AmbirScan lets you continuously scan documents without stopping for a prompt or reset, so you can work quickly and efficiently.
