50-word description	The nScan 1060 is a duplex color scanner that can tackle documents, cards, and passports. This scanner comes equipped with a TWAIN Driver and Ambirscan ADF to simplify the process. Rest easy in its durability with an included 3-year warranty.
Feature Bullet List	• **High-speed passport scanning** Enable Sheetfed mode on our ADF scanner to scan through Passports and other thick documents. When you're ready to go back to scanner paper, you can quickly switch back to ADF mode. • **9 customizable profiles** Customize your scanner's buttons to a specific need for quick, easy access. • **Thin scanning mode for delicate documents** Keep important documents safe, including thin, delicate ones. This includes carbon copies. This prevents the paper from being jammed and makes it easier for thinner documents to glide through. •**Asymmetrical paper feeding guide for easy feeding** This accommodates various document stacks. This means smoother paper handling and more efficient document scanning. • **TWAIN certified for maximum compatibility** Compatible with popular softwares so the user is able to share the document on a variety of platforms
