

The Ambir DS687 has everything you need for mobile card scanning. It begins with USB power, which eliminates your search for a power outlet, while a compact footprint means the DS687 ID card scanner fits on cramped desks, mobile carts or in any laptop bag.

USB-Powered.

Because it's powered by your computer's USB port, you'll never search for an outlet or carry a bulky AC adapter again.

Straight-to-PDF Scanning.

With included AmbirScan Lite capture software, users can scan directly to industry-standard PDF format and save to any folder on your PC, network or popular cloud services including: Box, DropBox, Microsoft OneDrive, Evernote and Google Drive.

Broad Compatibility.

The included TWAIN driver ensures compatibility with thousands of software applications and hardware systems.

Professional-Grade Quality.

Durable and reliable for commercial applications like hospitals, medical offices, banks, trucks, manufacturing, loading docks and busy points of sale.
