

ImageScan Pro® 490i

w/AmbirScan Business Card Software

AMBIR®

Versatility comes with every Ambir scanner, and the ImageScan Pro 490i is no exception. Scan documents and ID cards in full-color, grayscale or black & white to fit your specific needs, whether you're capturing insurance cards, legal forms or your bills at home.

Import Contacts Directly to Outlook.

Compatibility with Microsoft Outlook makes growing your contact list simple and easy. Scan your business card in just seconds, and the information will be imported directly into your Outlook address book.

Deleting Duplicate Contacts.

Automatic duplicate detection of Outlook contacts keeps your address book organized and up to date. Never worry about repeating information, and edit contact fields easily if needed.

Scan to Shared Contact Folder.

For executive assistants and distributed office environments, scanning contacts to a shared folder allows for easy contact sharing across your organization. Simply set up your shared folder and start scanning.

Export to CSV File.

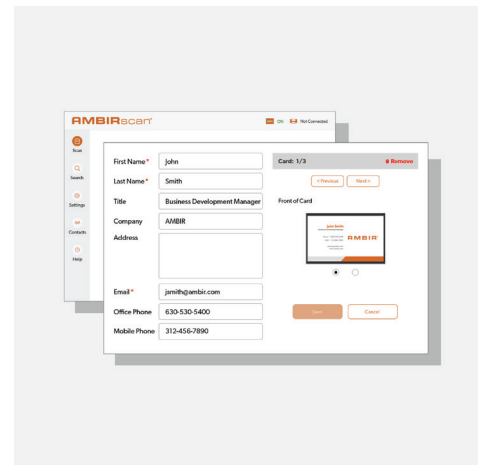

Using OCR technology, AmbirScan Business Card creates CSV files to conveniently store and backup your data. Upload your CSV to third party CRMs, such as Salesforce and Google Contacts.

Totally Custom Capture.

Versatility comes with every Ambir scanner, and the ImageScan Pro 490i is no exception. Scan documents and ID cards in full-color, grayscale or black & white to fit your specific needs, whether you're capturing insurance cards, legal forms or your bills at home.

Designed to Work. Built to Last.

In the office, the ImageScan Pro 490i adapts to any task or placement. A compact footprint ensures it fits on cramped desks, busy registration areas and mobile carts.

Compact and Capable.

You've got a ton of paper. Not a ton of space. That's why the ImageScan Pro 490i is designed with a compact footprint. It's about the size of a three-hole punch, so it fits on crowded desks. And it's USB powered, so there's no need for a bulky AC adapter.
